

Long Reach High School Activity Bus

Beginning on September 28, 2016, we are offering an activity bus for students. This bus will provide more opportunities for students to stay after school for clubs, and activities showing their Lightning Pride! We are thankful to the Bright Minds Foundation for their generous grant that makes this possible.

The bus will leave Long Reach at 4:00pm each Wednesday and drop students off at five pre-determined cluster stops. Students will be able to sign up for the bus each week. The bus will be limited to 44 students, so students are encouraged to sign up early. Sign-up sheets and permission slips will be available in our front office. Students must submit a signed permission slip before they can use the Activity Bus.

Cluster Bus Stops:

- Five cluster bus stops were chosen based on the highest density of students living in each area and to service the largest group of students.
- Cluster stops are not designed nor intended to provide a safe walking distance home for all students. Parents are responsible for the safe transportation of their child from a cluster stop location.
- The stops may be adjusted in the future to meet the needs of the program.
- The Activity bus and cluster stops are extensions of school property therefore all HCPSS policies and LRHS rules apply.

Stop Locations:

- Stop 1 – Montgomery Run Road (circle)
- Stop 2 – Deep Run Elementary School
- Stop 3 - Huntshire Drive and Meadowridge Road
- Stop 4 – Duckets Lane Elementary School
- Stop 5 – Port Capital Drive and New Colony

Please complete the permission slip below and submit to the front office prior to the date of your assigned activity bus.

Date: _____

I, _____, grant my child, _____, permission to ride the LRHS activity bus home from school on Wednesday, _____, 20____. I understand that I am responsible for providing transportation from the cluster bus stop home.
