

# New LRHS Main Parking Lot Traffic Pattern

Begins – August 29

Our goal is to improve traffic movement at Long Reach and ease congestion at drop off and pick up.

- Buses only in bus loop from 7:00am – 7:30am, and 1:45pm – 2:20pm.
- Staff and pre-school must enter by Tamar Drive entrance.
- Main parking lot traffic pattern changing to **one way, two lanes**.
- Traffic will enter parking lot using entrance closest to Dobbin Lane.
- Traffic will exit parking lot using exit closest to Tamar Drive.
- Traffic that is using the drop off loop must use the right hand lane.

Please contact Long Reach administration with any questions. The new pattern will be reviewed and adjusted as necessary.
