

OutREACH Academic Support Program

Session 2: January 30 – March 8, 2018

Long Reach High School's OutREACH Academic Support Program is our unified effort to offer all students additional academic support. Each program is designed to provide students with an opportunity to enrich and enhance the subjects they need support in. **To participate, parents must complete the online form or this form with parent/guardian signature and return it to Mrs. Neary's mailbox in the front office.**

To maintain an environment conducive to learning, all of our students are expected to arrive promptly, be prepared, and remain engaged throughout each session. Students are expected to adhere to the HCPSS and Long Reach HS policies. Disruption(s) of the learning environment or violation(s) of the school policies may result in disciplinary consequences, including dismissal from the program.
