Winter Spotlight:

Thank you to the SGA Archives Committee for their hard work on the Felix Simon Award. Our organization hopes to win the award this year for the first time since 1998! The committee's efforts have been pivotal to our chances of bringing this honor back to the Reach. Wish us luck!

Congratulations to senior Samuel Levine on his acceptance to the Naval Academy! Sam is a co-president of Science NHS, a co-president of Lightning Leaders, the vice president of NHS, the captain of the XC and wrestling teams. Wow! Keep up the great work!

Thank you to Natalie J., Anja li V., and Joan E. for helping to spread the word about Holiday Hangout! We successfully raised over \$200 for the Howard County Community Fund at the event.

Check out this message from our awesome Video Production teacher, Mrs. Lee on their current project:

“Our students have currently been working on their storytelling unit, and have been doing great things. Each group has focused on the elements of a story and how that translates into the visual arts. Our hope is that these films can be used for the upcoming Howard County Student Film Festival happening in April. For more information on the film festival, please visit our [website](#) and check out the latest Film Festival [trailer](#) made by one of our film students, Jason San Buenaventura.”
